

Virtual OurCon Mass Spectrometry Imaging Seminars

★ THE MASS SPECTROMETRY IMAGING SOCIETY ★

REGISTER (FREE of CHARGE) FOR THE MSIS VIRTUAL OurCon MASS SPECTROMETRY IMAGING SEMINAR SERIES 2020...

The MSIS Virtual OurCon Seminar Series (hosted by BMSS) will provide a virtual space for the benefit of the *MSI community at large*. Our vision is to facilitate a series of interactive seminars for ECRs to share their work with our community and enable discussion with leaders in the field.

The MSIS Executive Committee gratefully acknowledge the support of multiple national MS societies, and the BMSS for volunteering to host the 2020 series of events.

FIRST EVENT: 23th SEPTEMBER 2020 16:00 BST (GMT +1)

16:00 Opening Remarks

16:05 KEYNOTE: Professor Martina Marchetti-Deschmann, Vienna University of Technology, Vienna, AT.

“The help of High Resolution Mass Spectrometry for Correlated Imaging Approaches”.

16:35 KEYNOTE: Dr Bram Heijs, Leiden University Medical Center, Leiden, NL.

“MALDI-2 for the Enhanced Analysis of N-Linked Glycans by Mass Spectrometry Imaging”.

17:05 Closing Remarks

CALL FOR ABSTRACTS:

If you would like to present your work at a future OurCon MSI Seminar please send an abstract to ourcon_seminars@ourcon.org. All abstracts will be reviewed by the MSIS scientific panel and selected on the basis of scientific quality. Where possible abstracts from early career researchers will be prioritized.

REGISTRATION:

Registration (free of charge), for the entire seminar series, via the BMSS website, is required to receive your ZOOM meeting invitation:
